

called to serve

How will you help build strength,
stability, self-reliance and shelter?

Volunteers Needed In...

Construction- Become one of Habitats most visible volunteers and work on the home building job sites. No construction experience is necessary.

Partnership and Homeowner Support- Become a mentor to Habitat homebuyers and existing Habitat homeowners by providing education and guidance in the different areas of homeowner responsibilities.

Faith Relations- Put your faith into action to develop partnerships with our faith community and help further Habitat's mission of seeking to put God's love into action by brining people together to build homes, communities and hope.

Cookie Crew and Lunch Bunch- Support Habitat Choptank by personally preparing, delivering or purchasing lunch or cookies for the construction volunteers on the jobsite or Habitat Choptank special events.
