

S.S. JOHN W. BROWN: Living History in Baltimore since 1988

PROJECT LIBERTY SHIP

August 10, 2018

To the City of Cambridge,

The crew of S.S. JOHN W. BROWN wishes to extend a heartfelt thank you to the City, local businesses, media and residents for the incredibly warm welcome we have received from your community. The assistance given to us by the City, prior to and during our visit, has been outstanding. The thousands of visitors this past week and the local media's coverage has been incredible. We have enjoyed sharing stories with the public of the Merchant Marine, US Navy Armed Guard and the Liberty Ship's place in history. In return many of our visitors have been eager to share their stories of family members and friends who served our nation and the rich and colorful history of Maryland's Eastern Shore. Our port visits along the East Coast have extended from Halifax, Nova Scotia all the way down to Jacksonville, Florida and we can honestly declare the Cambridge visit as one of the most memorable voyages ever.

We truly hope that our visit has been as successful for you and your community as it has for us. Again, thank you for all that you have done!

Let's Keep Her Sailing!
