

July 29, 7 pm

Cambridge Waterfront Development, Inc., is the organization responsible for the development of the Choptank River waterfront property from the Bill Burton Fishing Pier to Cambridge Creek.

Board Members Jeff Powell (above) and Frank Narr (below) will discuss how CWDI came to be, what they have been doing since the organization was formed, and what plans are being considered.

You will have the opportunity to ask questions and provide input during the one hour conversation.

Sponsored by WHCP Radio, the Cambridge Association of Neighborhoods (CAN), the Dorchester Chamber of Commerce, and the Dorchester Banner
