Please see the email below along with the various notices from Kat Stork and Mike Diaz about meetings all over the county to talk about what Parks and Rec can do. There is also a virtual meeting and two different surveys that would help the county make decisions about what you as a member of the county want.

Please consider joining one of these upcoming events to share what you would like to have in your parks and in recreation programming. The first event is Monday, 4/4 at Church Creek Fire Hall, 6 - 7 pm, followed by Hurlock Elementary, 4/5, Cambridge 4/6, Sandy Hill Elementary, and Vienna Elementary 4/7. All will begin at 6 pm. You can register at bit.ly/recparksreg however registration is not required, except for the virtual option on 4/11 which you need to register for in order to receive the link for the meeting.

Also, please consider taking the survey which can be reached at bit.ly/recparksdorco. Feel free to share this information throughout the community and if you have questions don't hesitate to reach out.
