# Mission and Vision

## ◆ Mission

- ◆ *DCPS Math and CS Department personalizes and implements curriculum with integrity to support, sustain, and inspire high-quality teaching and learning every day.*

## ◆ Vision

- ◆ *DCPS Math Department will ensure that all learners are engaged in equitable, high-quality mathematical experiences that instill self-confidence to face new challenges and prepare for future career paths.*

# As of this year, some talking pieces...

- ★ Principal Meet and Greets
- ★ Advocating for instructional coaches' professional responsibilities and retaining our teachers.
- ★ Incentivizing usage of our new and newer mathematics platforms for intervention/enrichment, such as iReady for Grades K-8, and **IXL for Grades 9-12.**
- ★ Refining CS programs and advancing student opportunities to engage with CS.

IXL

## *Now, and for Tomorrow*

Investment for student **intervention** and **enrichment**.

 Happy Teachers & Intentional Skill Plans

 Focused support with *Formative Assessments*

 Multi-device user friendly

*...for “Tomorrow,” and the, “Big picture.”*

Sample Data (District, School, Teacher, and Student)

*Thank you for your  
time! Questions?*
