- Both C-SD and ND sent Math teams to the The 37th Annual Eastern Shore High School Mathematics Competition at Salisbury University. The members that went from C-SD were Deen Wright, Bryce Salazar-Calderon, and John Condon. It was a great experience, allowing us to demonstrate our mathematical ability outside of the classroom.

- Brooke Blades and John Condon were awarded the Bayside Scholar Athlete Awards for C-SD, and they were invited to join the Bayside Conference at the Awards Ceremony at Mace's Lane Middle School. The ceremony had a fabulous speaker from the former Salisbury University football coach, and it was catered by Jimmy's Grill.

- The NextGen Scholars Program at C-SD, led by Mrs. Laurie Bell, did a college trip to UMBC. They had a great experience. It exposed the students to the numerous opportunities that UMBC has to offer.

- C-SD hosted a Career Fair in the Gymnasium to allow students the opportunity to observe the numerous job options that our community exhibits. This event was open to all students in the high school.

- The Prom at C-SD was a fabulous experience. The Hollywood themed event was a blast for everyone that attended. Samara Spriggs and Jaden Evan's were the Homecoming Queen and King respectively. Even though potential showers were in the forecast, the event remained dry, and it was a great night.

Closing Comments:

- A shoutout to all of the Spring coaching staff for volunteering their time to make a difference in the lives of students at C-SD.

- A shoutout to all teachers that are involved in state testing.
- There is less than 1 month of school remaining. It is the final stretch before Summer break.

- A special thanks to Mrs. King for guiding the Senior Class for all four years, and working endlessly to keep us on the path towards graduation.
- Friday the 20th is the last day for Seniors at CSD. Enjoy the moments while they last.
