Dorchester County Board of Education  
Statement of Appropriations & Expenditures  
**Fiscal Year 2022**  
For the Period Ending June 30, 2022 - DRAFT (with Budget Amendment FY22-2)

Footnotes:

- # 1. Former BluePrint grant now in general State Aid. Budget amendment processed.
  - # 2. The Special Education department continues to have vacancies in all positions. As we try to fill those vacancies, contracted speech services need to be used to stay in compliance with State and Federal laws. Overall, the effects to this budget category should offset each other.
  - # 3. Full time position vacancies.
  - # 4. Grant not covering entire expense.
  - # 5. Covering absences, and overtime due to lack of drivers
  - # 6. Expenses over budget due to higher fuel prices, and mid year increase in hourly wage rate. A budget amendment will be needed to cover this variance.
  - # 7. Vacancies and lack of substitutes creating savings.
  - # 8. Projected to be over budget by end of year. Reasons for this are being researched.
  - # 9. Interest rates on bank accounts have remained low.
  - # 10. Minor overages. Will be covered by savings within the category.
  - # 11. Paid to buy out a Speech Pathologist's contract in order to hire the individual directly.
  - # 12. Out of County placements coming in were greater than those going out, based on year end MSDE reports.
- All Salary Lines All salary lines are showing variances due to vacancies, and payment of year end retention bonuses.
