In those incidences where exclusion or restraint may be used in the provision of behavior interventions, employees of the Dorchester County Board of Education will implement Student Behavior Intervention in accordance with COMAR 13A.08.04 and HB 1255. The Dorchester County Board of Education prohibits the use of seclusion as a behavior intervention in accordance with HP 1255. The policy and procedures regarding Student Behavior Interventions will be reviewed on an annual basis and will be provided to school personnel and parents in accordance with COMAR13.08.04.
