Applied Technology Clusters

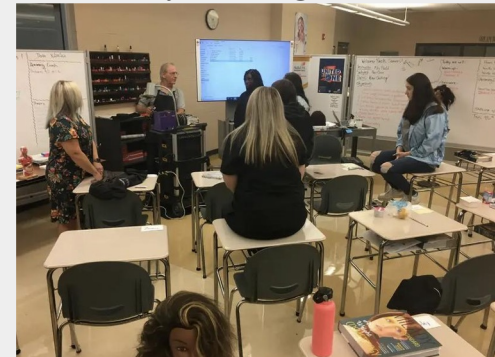

Cosmetology Jumping Right In!

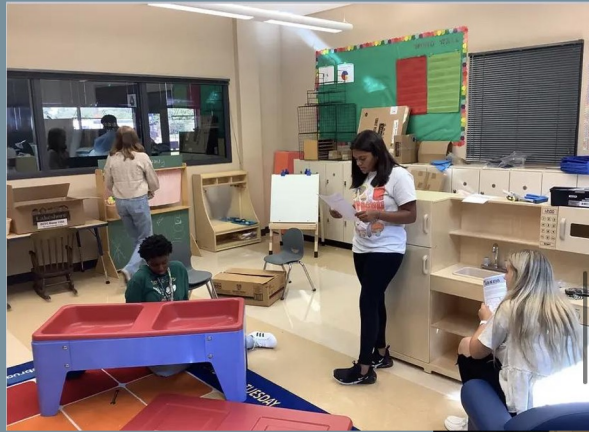

Cosmetology Juniors get hands on experience with washing a clients hair.

Cosmetology Seniors are learning to cut hair. Special guest Mr. John Kerr visited to explain the process of shear sharpening and the necessity of regular servicing.

TAM students set up the classroom to begin partnering with Maple's Judy Center starting at the end of the month.

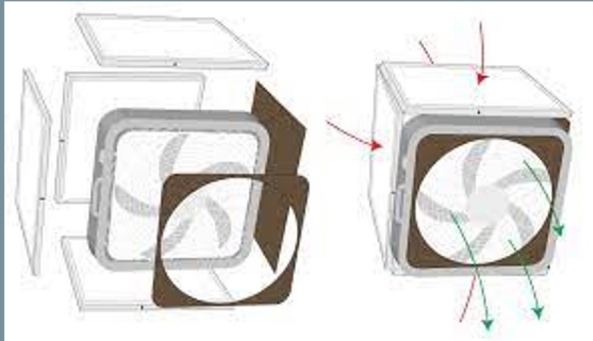

Teacher Academy of Maryland

Excitement of our future teachers!

Medical Services Guests + PLTW Biomed in lab

On Friday Sept. 9th, Dorchester County Health Department partnered with Ms. Farmer's Medical Services students to create Corsi Cubes as a community service activity to aid in ongoing mitigation of COVID-19.

PLTW Biomed students completed an ELISA lab, an experience that many students do not have until college.

SkillsUSA Kickoff Event

Students assembled to learn about and encourage students to join the DCTC SkillsUSA chapter. Chef Zinnel, Mrs. Budd, and Katelyn Masden presented on the benefits of Skills including framework, competitions, leadership trainings and more.

The SkillsUSA Framework Supports a Balanced Program

Students are seen playing icebreaker “guess your celebrity.”

Partnership with Talbot County

NJROTC with Easton High School has seven DCPS students enrolled. Some of these students are also enrolled in other afternoon DCTC programs.
