This is the award that I received. I filled out a form that was sent to my principal and she shared it with us. I am looking at emails to see if I can find it. I hope this helps.

Dear Karen,

Thank you for your application for the indoor garden tower and for your patience as we waited for a final review from the Maryland Department of Health. I am pleased to announce that **South Dorchester School PreK-8 has been approved to receive a \$1,100 mini-grant to purchase 1 garden tower and start-up supplies.**

Important Next Steps:

1. Send a copy of your W-9 and an invoice in the amount of \$1,100 to Hayden Rhodes, hayden.rhodes@maryland.gov by **Tuesday, September 6th. The information on the invoice should match the vendor name and address on the W-9.**
2. It will take approximately 2-3 weeks for the check to arrive at your address.
3. You should purchase the garden tower and supplies before the end of the month, September 30th. If your budget allows, you may purchase the garden and supplies before the check arrives. [This Tower Garden Flex Growing System](#) model is recommended as our team is familiar with it and can offer technical assistance. You may purchase from a different vendor if you wish.
4. Technical assistance will be offered to you at no cost. Once you receive your garden and supplies, our team will visit your location to get you up and running.

Please direct all questions to Hayden.Rhodes@maryland.gov. Thanks again for your enthusiasm and commitment to improving the health of our Mid Shore!

Dr. Bowers,

Please note my error- rather than send an invoice for \$1,100, please submit for \$6,600.

Thank you,
