GA Grant and EA Grant recipients: \$1,194,000

“Initially I was intrigued about the program, but not quite sure how I could benefit from it. I went on field trips, toured businesses, worked on my resume and participated in virtual mock interviews. I fully appreciate it now because being a Next Generation Scholar means you are college bound. It’s a program you can be proud to be a part of.”  
Brice Salazar-Calderon, 21-22 Senior Class President.
